

Did You Know?

Did you know that reducing Medicare fraud is one step towards making sure your grandchildren will have Medicare when they need it? You can do your part by being on the look out for fraudulent schemes such as:

- ❖ People **going door to door to sell you** healthcare items or services
(only your doctor knows what you need)
- ❖ People **calling you to ask** for your Medicare or health plan numbers
- ❖ People **offering you money** or other incentives for health care services you don't need

Each of these schemes has been
found to be fraudulent.

If any of this sounds familiar, report it
immediately by calling **1-877-7SAFERX**
(1-877-772-3379).

Do Your Part

You can protect your identity and your benefits

- ❖ Never give out your Social Security, Medicare, health plan numbers, or banking information to someone you don't know.
- ❖ Carefully review your Plan Statement to ensure all the information is correct.
- ❖ Know that free services **DO NOT** require you give your plan or Medicare number to anyone.
- ❖ Share this information with your friends.

If you suspect fraud, report it immediately.
